

DREAMS CAN COME TRUE!

A GREAT OPPORTUNITY TO OPEN YOUR OWN BEAUTIFUL EUROPEAN-STYLE WINE BAR

A time to remember? If you were fortunate enough to visit the Mille Chateaux Wine Cellar, Glenealy, Central, Hong Kong, between June 2001 and March 2003 you will well remember the style, ambience and sophistication of this popular and very unique wine cellar. Successful wine tasting evenings and member's parties were just a few of the special events that took place in the Cellar or the Private Room. It was unique; but now you have the opportunity too re-create this distinctive environment using everything needed to set this delightful room up anywhere you want.

Wine Cellar and Private Room: The 1,000sq.ft. area was designed and custom built to very exacting standards. The exceptional collection of fixtures and fittings that made up such a special place were carefully packed and professionally stored ready for the next reincarnation. Business is once again booming, good wine is more popular than ever and the Wine Cellar is waiting for its next owner. If you are serious about wine then putting together the perfect cellar with quality fittings and stylish decoration is the ideal way to bring a dream true. Please contact us to view this ready made business or personal cellar.

New to the wine business? If owning and running your own wine cellar has always been a dream, but the knowledge is lacking, don't worry – we can supply experienced business people able to advise.

Wine: No wines? Not sure what to import? No problem. Old and New World wines direct from the wineries are our speciality and we'll give you all the help you need.

Staff: No problem. We have contacts with senior experienced staff ideal for this type of venture and will make introductions.
